Welcome to Lifewalk

School Welcome Pack

Kia ora

Thank you for the opportunity to have the Lifewalk chaplaincy service in your school.

Our organisation has been serving schools throughout Aotearoa for over 30 years. More recently, we have also been able to offer schools the 8-week Seasons for Growth, grief and loss programme and our 5-week RIMA programme which helps students to recognise and process their emotions in a healthy way.

We recognise the demand for these services as at the recent NZSTA conference in Rotorua in July, we had over 100 new enquiries from board members and Principals.

We are excited about our partnership ahead and the difference it will make for your tamariki, their whanau and your school community.

Ngā mihi nui,

Geoff Burton

Since Sue has been with us she has been outstanding. She fits in well with the students, staff and parents and is always willing to help in any way. The teachers trust her and ask for help if they need extra assistance. Everyone here respects her. She is part of our team.

If you're considering a Lifewalk chaplain for your school, I say go for it. It's an additional service to have in support for the school especially for the children who want another trusted friend and face to speak to.”
